To Whom It May Concern,

The Organizing Committee of Audi FIS Ski World Cup 2020 Niigata Yuzawa Naeba would like to express our deep appreciation to Liski for their contribution to our sport as Liski offers high quality materials and good services.

World Cup at Naeba Ski Resort was the second time in recent years and for the first time in four years, it was a project that could be realized with huge success through an exceptional partnership with Liski, Ski Association of Japan, and the Organizing Committee. With an excellent support of Liski, we could perform the best safety management in this tough and changeable weather condition with heavy snow.

We wish Liski continued success, and future prosperity of FIS Ski World Cup.

Sincerely Yours,

MINAGAWA Kentaro

Secretary General
