To whom it may concern

Reference letter for using Liski products

It's hereby certified that the company LISKI SRL with registered offices in Via Veneto 8, 24041 Brembate (BG) Vat number IT 02075900163 was technical supplier of the FIS Nordic World Ski Championships 2015 in Falun.

The Local Organising Committee of the FIS Nordic World Ski Championships 2015 in Falun decided to use LISKI SRL for the supply of protection systems and net. The material provided by this company was of excellent quality and easy to use for the technical staff employed on site.

The FIS Nordic World Ski Championships 2015 in Falun resulted in an event "beyond all expectations" and is being seen as a milestone for participants as well as for spectators and the TV audience all around the world. The Local Organizing Committee appreciated the material provided by LISKI - and the Swedish representative DALSKIDAN - and it recognizes the LISKI/DALSKIDAN contribution to the success of the event, thanks to its professionalism, with particular attention to all the details and quality of the products supplied.

Best regards

Sven von Holst
CEO Falun2015
