To the company of **LISKI**

Dear Mr. Parigi,

It was, it is and always will be our goal to be the best ski nation in the world. Therefore we need a partner who shares our passion with the same professional attitude. For many years **LISKI** is our partner for Alpine and Snowboard Teams as well as for our World Cup Events in Austria.

We appreciate the never ending research and development spirit of **LISKI** and particularly the flexible and loyal handling of our partnership.

We are looking forward to continue our partnership and celebrate future success together.

Many thanks to the **LISKI** team!

Best regards,
