Dear Ski Friends!

We are small country that competes with the big ones. Even though we have raised World and Olympic champions. We conquer the top with the fighting spirit that was laid in our cradle, but for that we also need excellent equipment. We don't choose here, want the best!

And we can say that we are sharing "the best" with Liski for 26 years. They are our loyal supplier at children's competitions, domestic and international, as well as at FIS competitions. They have also become our loyal matchmaker for the European Cup. Our good cooperation has grown into a friendship, which we especially appreciate and we are proud of.

We can say, that we are a small nation with great successes, which we also create together with LISKI.

Thank you for trusting us!

Miha Verdnik
