Letter of confirmation

To whom it may concern,

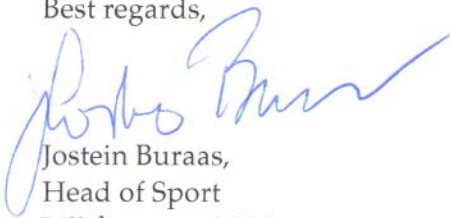

Lillehammer 2016 Youth Olympic Organizing Committee hereby confirms that Liski was the chosen supplier of bibs to our sporting competitions through a public procurement process. Liski delivered close to 6000 bibs and arm binds for the games, and we are very satisfied with the delivery and service from Liski.

Lillehammer 2016 gathered 1100 athletes from 71 nations competing in 70 medal competitions. In addition to the sport, the event also included an extensive culture and education program. In total over 210.000 spectators attended our events.

We wish Liski good luck.

Go beyond. Create tomorrow.
